The Ironmen are currently playing every Thursday morning at 10:00AM, with a shotgun start. sweeps, birdie pool, and closest to the pin.

This Thursday, 10/21/2021, began as a rainy, wet morning. But the skies cleared, the sun came out, and it turned out to be a beautiful day, perfect for some golf. An intrepid group showed up to play but, because the weather affected our normal turnout, sweeps were not in play. However, of those that did play, two stood out above the rest:

John Eige and Bob Lapidus both had a net score of 25; congratulations guys.

There was one birdie:

Bill Travis chipped in on hole 3.

Closest to the pin:

Not in play today

Deep thoughts:

On the nine-iron: A hunk of iron perfect for any number of household uses, such as poking a fire or killing a mouse, but so programmed that it will hit a golf ball only on the top half and send it chattering, in line-drive configuration, into the nearest clump of ivy.
