

Ironman Minutes
Special Meeting
11/30/2023

On 11/30, President Jerry Juracich called a Special Meeting of the members just prior to sending us out for our Ironman Play Day.

A quorum was present.

The purpose of the meeting was to vote on a change to the Ironman Bylaws as follows:

ARTICLE VIII: Dues and Fees

Section 1. The fiscal year shall be December 1 through November 30.

Annual dues shall be the amount approved by a majority of club members present at a regularly scheduled or special meeting with a quorum of members in attendance.

Dues for members joining after June 1 and before November 30 will be one half of annual dues.

Annual dues for Honorary Members (non-playing) may be set by the Board.

Section 2. The initiation fee shall be set by the Board and payable with application for membership.

Section 3. Annual dues are payable December 1, and will be billed through the member's Villages home account.

Section 4: A former club member may apply for a new membership. If his absence is less than a year he may rejoin by paying the applicable dues. After an absence of one year or more, he must re-establish his handicap and pay the initiation fee and dues as if he were a new member.

A motion to approve the change was made and seconded. There was no discussion and the motion passed unanimously.
